Tools and Libraries

AngularJS

Git

Wordpress

Visual Studio

MY PRINCIPALES

Knowledge

I thrive in a knowledge-sharing environment and seek improvement throughout presentations, workshops, and mentoring.

Equality

Granting the same rights, challenges, problems and solutions to everybody is the biggest act of self and social awareness, that leads to progress and growth.

Diversity

Learning about and experiencing different cultures is the greatest tool to enrich yourself and gain broader perspective (and start finding better solutions)

LANGUAGES

English
